## When Buying Items

### Do:

- **Inspect the item in person** before making a payment.
- **Meet in public places**, preferably during the daytime (e.g., tea shops, malls).
- **Negotiate politely**, but trust your gut—if it feels too good to be true, it probably is.
- **Check the item thoroughly**, especially electronics, for condition and functionality.

### Avoid:

- Paying in advance before seeing the item.
- Sellers who refuse to meet or make excuses.
- Offers that are way below market price—they're often scams.
- Clicking suspicious links sent by sellers.

## When Selling Items

### Do:

- Only meet buyers in **safe, public locations**.
- Accept **cash on the spot** or use trusted transfer services (KBZPay, Wave, etc.).
- Count the money before handing over the item.
- Take photos of the item condition before meeting (as a record).

### Avoid:

- Sharing your personal banking info unless you trust the buyer.
- Accepting overpayments or refunding money before confirming it's real.
- Shipping items before full payment is received.
